COMMISSION DELEGATED REGULATION (EU) 2023/1669 with regard to the energy labelling of smartphones and slate tablets

| 1. Trademark                                                                                                                   |                                 | 2. Model identifier                                    |
|--------------------------------------------------------------------------------------------------------------------------------|---------------------------------|--------------------------------------------------------|
| Blackview                                                                                                                      |                                 | ROCK 2                                                 |
| 3. General product parameters:                                                                                                 |                                 |                                                        |
| Parameter                                                                                                                      |                                 | Value                                                  |
| 4. Device type                                                                                                                 |                                 | Smartphone                                             |
| 5. Operating system                                                                                                            |                                 | Android                                                |
| 6. Energy efficiency class                                                                                                     |                                 | B                                                      |
| 7. Battery user-replaceable                                                                                                    |                                 | No                                                     |
| 8. Battery endurance per cycle ( $END_{device}[h]$ )                                                                           |                                 | 138                                                    |
| 9. Battery endurance in cycles - default settings [cycles]                                                                     |                                 | 800                                                    |
| 10. Rated battery capacity ( $C_{rated}[mAh]$ )                                                                                |                                 | 15 000                                                 |
| 11. Shipped with protective cover                                                                                              |                                 | No                                                     |
| 12. Repeated free fall reliability test - falls without defect [n]                                                             |                                 | 270                                                    |
| 13. Repeated free fall reliability test - falls without defect, tested in fully extended state [n]                             |                                 | n.a.                                                   |
| 14. Repeated free fall reliability class                                                                                       |                                 | A                                                      |
| 15. Ingress protection rating                                                                                                  |                                 | IP68                                                   |
| 16. Specified immersion depth in water, in case of IPx8 [m]                                                                    |                                 | 1,00                                                   |
| 17. Screen scratch resistance on Mohs hardness scale                                                                           |                                 | 5                                                      |
| 18. Charger                                                                                                                    | Required output power [W]       | 33                                                     |
|                                                                                                                                | Receptacle type (at device end) | USB-C                                                  |
| Repairability information:                                                                                                     |                                 |                                                        |
| 19. Minimum guaranteed availability of operating system security updates, corrective updates and functionality updates (years) |                                 | 6                                                      |
| 20. Repairability Class (based on the index below)                                                                             |                                 | B                                                      |
| 21. Repairability Index                                                                                                        |                                 | 3,57                                                   |
| 21a. Disassembly Depth ( $S_{DD}$ ) score                                                                                      |                                 | 3,30                                                   |
| 21b. Fasteners (type) score ( $S_F$ )                                                                                          |                                 | 4,20                                                   |
| 21c. Tools (type) score ( $S_T$ )                                                                                              |                                 | 4,10                                                   |
| 21d. Spare Part score ( $S_{SP}$ )                                                                                             |                                 | 4                                                      |
| 21e. Software Updates (duration) score ( $S_{SU}$ )                                                                            |                                 | 3                                                      |
| 21f. Repair Information score ( $S_{RI}$ )                                                                                     |                                 | 3                                                      |
| 22. Weblink to information on spare parts availability for professional repairers and end users                                |                                 | <a href="http://www.blackview.hk">www.blackview.hk</a> |

|                                                                        |                  |
